Two (2) identical 2" x 2" photographs, taken within the last six months must be submitted with a passport application. Photographs may be in color or in black and white. Tinted photographs are not acceptable.

The photographs must be 2" x 2" in size (5 x 5 cms). The image size measured from the bottom of the chin to the top of the head, including hair, must be not less than 1" nor more than 1-3/8".

Photographs must be on thin, preferably non-glossy paper, and show a front view of the person with a plain, light background. A pleasant natural pose is recommended. Photographs should be taken in normal street attire, without a hat. Dark glasses are not acceptable unless required for medical reasons. Only applicants who are in the active service of the Armed Forces and who are proceeding abroad in the discharge of their duties may submit photographs in the uniform of the Armed Forces of the United States.

The prints should be capable of withstanding a mounting temperature of up to 225 degrees F (107 degrees C) for 30 seconds. Most vending machine prints are not acceptable.
